

Connor Schuler
SEC-260-02
STR2026

Deliverable 1 - Successful lynx view of Custom test page:

Image shows 1 screen of output, with the text “Hello there” centered at the top, and “Schuler Test Page” at the top right. This indicates both a successful request and response from the Apache web server, and that it utilized the custom page created.

Schuler Test Site

Hello there

Commands: Use arrow keys to move, '?' for help, 'q' to quit, '<->' to go back.
Arrow Keys: Up and Down to move. Right to follow a link; Left to go back.
